

St. Augustine Leadership Team (SALT)

SALT, the St. Augustine Leadership Team, began as an idea in the early nineties as a bridge for young parishioners who wanted to be involved in continuing the legacy of the parish.

Since its inception, its members have been involved in several efforts and events throughout the parish, Diocese, and the community as a whole.

Its initial signature event, the Robert G. Atkins/ Making Tracks for Education 5k raised over \$7,000 for St. Augustine Catholic School in scholarships and supplies. The latest event led by SALT is the Mardi Heart party, typically held the Saturday before Ash Wednesday.

Meetings are held each second Sunday of the month, at 9:45 a.m. in Mizicko Hall. Anyone who is interested in attending or joining are welcomed. The current president is Nykesha Cole, and the vice president is Jimma Owens.

We ask each member to contribute dues to the organization (\$144.00 per year, payable in increments) in order to support its endeavors as well as assist interior and exterior organizations as requested.
